Read more to find out how!

In an effort to show its support for the car enthusiasts that purchase our product, Competition Clutch has developed a contingency program that will allow you to receive payouts for simply attending approved sanctioned events.

**In order to qualify for these payouts, the following qualifications must be met:**

- The **official contingency sticker** must be placed on your car in one of these locations: front bumper, fenders, front windshield, or door roll call. Example:

- Current Year Contingency Claim form must be completed.
- Copy of Original Proof of Purchase for Clutch, Clutch and Flywheel or Twin Disc/Super Single Clutch Kit. Date of purchase must be within last two years.
- Picture of your car **at the event** with the CC decal affixed.
- One claim per car, per person, per invoice for approved events on any given single day.  
(Ex. Two people that drive the same vehicle, only one of the drivers will be awarded contingency money)
- These items **MUST** be emailed to [clifton@competitionclutch.com](mailto:clifton@competitionclutch.com) within 2 weeks of attending the event.

Due to the high number of events that take place throughout the season it is the responsibility of the contingency participant to notify Competition Clutch of any applicable earnings. Please contact the marketing department for additional details: [clifton@competitionclutch.com](mailto:clifton@competitionclutch.com)
